### Bills Needing Action This Week

*Remember, only authorized members can speak for the League; the Issue Chairs will do that, so **please leave the "Organization" box blank.** A more powerful influence is many voices speaking for themselves rather than many voices speaking for the League.*

No bills need action this week.

### Bills We Support

**SB 5102 Concerning School Library Information and Technology Programs.** This bill would ensure every board of directors provide resources and materials for the operation of a school library information and technology program so that every student has access to the program. Left from last Session and **still in Senate Rules.**

**HB 1109 Providing Funding for School Districts for Special Education.** This bill would provide funding for public schools to conduct evaluations for special education and to develop individualized education programs for eligible students during the summer. Left from last session and **still in House Rules.**

**HB 1956/SB 5923 Addressing Fentanyl and Other Substance Use Prevention Education.** Fentanyl and other opioid prevention education delivered through health classes or other discretionary programs must be provided to as many seventh and ninth grade students as possible during the remainder of the 2024-25 school year, and annually to seventh and ninth grade students thereafter. **SB 5923 didn't make it out of committee. HB 1956 passed out of Rules to the House floor on Feb. 8.**

**HB 2180/SB 6014 Increasing the Special Education Enrollment Funding Cap.** This would increase funding from 15% to 17.25%. **SB 6014 didn't make it out of committee. HB 2180 is on the House floor.**

**SB 5882/HB 1960 Increasing prototypical school staffing to better meet student needs.** This would phase in additional staff allocations for paraeducators, office support staff, and non-instructional aides in the prototypical school funding model. More still needs to be done. **SB 5882 passed the Senate on Feb. 8. HB 1960 is in Rules.**

**SB 5953 Concerning Financial Aid Grants for Incarcerated Students.** This provides education resources for incarcerated students. **Was passed by the Senate on Feb. 8.**

**SHB 2494 Increasing state funding for operating costs in schools.** The MSOC (materials, supplies and operating per pupil amounts defined in the prototypical formulas would be updated and include a \$23 per pupil increase, from \$1,519.04 to \$1,542.04 per pupil. **It is on the House floor.**

## Bills We Are Watching

**SB 5873 Providing Adequate and Predictable Student Transportation.** This bill would authorize another year studying/gathering data on this issue, but would not provide adequate funding currently. **Is on the Senate floor.**

**SB 5964/HB 2058 Increasing Student Access to Free Meals Served at Public Schools.** This bill would provide breakfast and lunch without charge to any requesting students. **Neither HB 2058 nor SB 5964 made it out of committee.**

## Bills We Oppose

**HB 1897/SB 5809 Concerning Enrichment Funding for Charter Public Schools.** Voters, who are represented by elected school boards, vote to approve enrichment levies. There is no process or ability for charter school parents to do this. **SB 5809 was heard by Ways & Means on Feb. 2. HB 1897 was heard by House Appropriations on Feb. 1. Neither passed out of committee.**
